Access may be a complex and intimidating Office application, but you'll tame it quickly with this book. You'll learn how to design complete databases, maintain them, search for valuable nuggets of information, and build attractive forms for quick-and-easy data entry in no time. You'll even

Access 2010: The Missing Manual - pdf - Free IT eBooks ...

Having read reviews for Access 2010 The Missing Manual, I thought I would give it a try. It was an excellent decision. The instructions are clear to follow and are written in a non-technical language which is easy to understand. My only problem is trawling through the index for something that I don't know the technical name for.
