access drill-down report

access drill down report pdf

"Hi, Is this possible to have drill down option in PDF format of the report. I have different reports and scheduled it to save as PDF. Now when you open the summary report in PDF it has link

Drill Down in PDF Reports - Tech Community

A solution however is to create a variation of the report that just does the drill down for one group, selected by a parameter. Then schedule this using my "multirun" feature to create all the drill downs for all values of the group and export the results to multiple PDF files. Can even do multiple levels with a parameter for each level.

Export Drill down report to PDF - Business Objects ...

However i have found that tables 1 through 7 are visible, but access doesn't give a little "+" in the corner of table 8 to get to tables 9 and 10. i.e, i can't seem can't seem to drill down beyond table 8 to view related records in tables 9 then 10.
