Printing Report without Opening it - Microsoft Access / VBA

Hi! i have creted a report who has products description or details. This reports has a page by product. Currently i am printing it in PDF to maintain a digital copy and then y print it on paper.

Printing a Microsoft Access 2010 Report in PDF(by Page or ...

The idea is that an associate would be able to press a button and the report would print to PDF and send. I have the printing and the email code, but where I'm stuck is that I don't know how to save the report automatically to a path after using the PDF Printer. Right now it prints but then opens a "Save As" dialogue box. I'd like it to print and then save itself to a path.
